

Dr. Jennyl Maclean, MD - Consultant Anesthesiologist

Career Highlights:

Dr. Jennyl Maclean is a seasoned anesthesiologist with over a decade of experience in academic and clinical practice. Beginning his career as an Assistant Professor at Mahatma Gandhi Medical College, Puducherry, in 2012, he later served at Kanyakumari Medical College, Tamil Nadu, from 2015 to 2020. Currently, he practices as a Consultant Anesthesiologist at the Government Headquarters Hospital in Padmanabhapuram, Kanyakumari.

Career Overview:

As a board-certified physician and diplomate of the National Medical Council of India, Dr. Maclean is deeply committed to advancing anesthesia practices. His professional expertise includes a strong focus on ultrasound-guided nerve blocks and the management of geriatric orthopedic patients.

Academic Profile:

Dr. Maclean completed his MBBS as part of the 2000 batch at PSG IMS&R, Coimbatore, and went on to earn his MD in Anesthesia from MGMCRI, Puducherry, in 2008.

Medical Expertise:

Dr. Maclean specializes in acute and chronic pain management, palliative care, perioperative evaluation, and post-operative care. His proficiency in ultrasound-guided nerve blocks and management of complex orthopedic cases is well-recognized in the field.

Achievements:

Dr. Maclean is a published author, having contributed a chapter on "Maxillary & Mandibular Nerve Blocks for Awake Facial Surgeries." He also manages a popular YouTube channel, attracting over 2,000 subscribers with a focus on anesthesia techniques and education. Notably, he is the first in the world to demonstrate self-video bronchoscopic intubation, self-blind nasal intubation, and self-airway awake anesthesia techniques. His expertise has led him to be an invited speaker and faculty at various national anesthesia conferences, where he conducts hands-on ultrasound regional anesthesia workshops and lectures.

Extracurricular Interests & Achievements:

In addition to his medical career, Dr. Maclean is an avid bodybuilder. His personal fitness journey saw him transform from 140 kg to 74 kg, culminating in a Bronze medal at the Mr. Kanyakumari 2024 Bodybuilding competition.

Dr. Jennyl Maclean exemplifies a dedication to both his profession and personal interests, bringing a unique blend of skill, knowledge, and passion to the field of anesthesiology.
