

Dr. Keerthi Chigurupati, M.D., D.M.

Dr. Keerthi Chigurupati is a distinguished cardiovascular and thoracic anesthesiologist with an impressive academic and professional background, recognized for her contributions in anesthesiology and echocardiography. She earned her DM in Cardiovascular and Thoracic Anesthesia from the prestigious Sree Chitra Institute for Medical Sciences and Technology (SCTIMST) in Kerala and holds an MD in Anesthesiology from N.R.I Medical College, under N.T.R. University of Health Sciences.

Throughout her career, Dr. Chigurupati has received several accolades, including two university gold medals and numerous awards for her research presentations. She has contributed over ten publications as the primary author, with two articles cited as references in "Miller's Textbook of Anesthesia." In addition, she has presented at major international conferences, such as the American Society of Regional Anesthesia (ASRA) workshops in the U.S. on echocardiography for anesthesiologists.

Dr. Chigurupati's expertise spans clinical, academic, and community spheres. She has served as the Secretary for the Women's Wing of the Indian Medical Association (IMA) and is a passionate advocate for women's health and community well-being. Her popular YouTube channel, "Keerthi's Channel," showcases her versatility beyond medicine, featuring content on traditional recipes, art, crafts, travel, and animation, boasting over 108,000 subscribers as of September 2024.

With hands-on experience at leading institutions like Mayo Clinic and Cleveland Clinic, Dr. Chigurupati continues to advance the field of anesthesiology with her dedication, research, and commitment to sharing knowledge with peers and the public alike.
