

Dr (Maj Gen) Navdeep Sethi, MBBS, MD (Anaesthesia), PDC (Paediatric Anaesthesia), FIAPA

Director of Surgical Services & Head of Anaesthesiology & Critical Care,
Yashoda Superspeciality & Cancer Hospital, Ghaziabad

Dr. Navdeep Sethi is a distinguished leader in Anaesthesiology, renowned for his expertise in pediatric and onco-anaesthesia, with proficiency in managing difficult airways. With over 36 years of extensive anaesthesia experience, he has pioneered introduction of fiberoptic intubation within the Armed Forces and has been awarded the Chief of Army Staff Commendation three times for his exceptional contributions.

Dr. Sethi's academic credentials are as impressive as his clinical acumen. He holds an MD in Anaesthesiology from AFMC Pune with a sub specialisation in Paediatric Anaesthesia (from AIIMS Delhi & training at New Children's Hospital Sydney) and a Fellowship with the Indian Association of Paediatric Anaesthesiologists (FIAPA). He has published over 40 indexed research papers and has received prestigious honors, including the Dr. Ambardekar Award and the ISA Medal for his top performance in MD Anaesthesia from Pune University.

In addition to his clinical roles, Dr. Sethi has held esteemed academic positions as a former Professor and Head of Anaesthesiology at both the Armed Forces Medical College, Pune and the Army Hospital R&R, Delhi. He has also been a revered mentor and examiner for MD, DNB programs in Anaesthesiology and DM in Paediatric Anaesthesia. Currently, Dr. Sethi is the Vice President of the Delhi Chapter of the Indian Association of Paediatric Anaesthesiologists and has served on the Governing Council of the RSACP. His dedication to the field extends to his work as a reviewer for notable journals, including IJA, RSACP, and MJAFI.
